

Healing with Horses Grief Group Spring 2018

Support for kids and teens coping with a death loss

This group is offered for ages 6-18. We combine equine-assisted activities with peer support to share stories, memories and have fun.

We learn various ways to care for horses and to develop skills in a safe environment.

We talk about grief, how to remember your special person, and ways to take care of yourself through the grief journey.

We ask for \$100 per child which goes directly to Medicine Horse for food and care for the horses.

When:	Tuesdays March 13-May 8 5:30-7:00 pm
Location:	Medicine Horse Program 8778 Arapahoe Road Boulder CO, 80303
Cost:	\$100 per child *If you are unable to pay please contact children's grief counselor.
Register:	303-604-5330 TRU Community Care
